“ Aunt Kay was a very special lady. I loved spending time at her house as a child. She took care of me quite often and treated me like one of her own. I will never forget her laugh and her calling me her little Millia. What a celebration I’m sure there was when she was reunited with those who went on before her and when she met her Savior.

“ Brenda I am so sorry my friend. I did not knw ur mom but I’m sure she was amazing just like u. It’s so hard to let go but knw she is healthier than ever and her mind is there and no more suffering. Ur mom is ur #1 fan and when she is gone it’s so hard but remember we will see our loved ones one day in Heaven. My dad just passed a month ago and it’s hard but I knw I kept him out of a nursing home and I did my part. I knw he is pain free and can eat and drink no problem and breathe so much better. I knw he is with my mom in Heaven. Prayers my sweet friend I love u and if u need anything don’t hesitate to ask. U will be in my thoughts and prayers
