“ It is with deep sorrow that I share the passing of my dear Uncle Tony, who left us a few days ago. Uncle Tony was a man of many talents, kindness, and unwavering support for those he loved. I will forever cherish the memories of our trip to Florida in the early 80s, where my mother Veronica, brother Tito, and I visited him at the Grand Floridian Hotel in Walt Disney World. Seeing him in his chef's hat, welcoming us into his kitchen, was a moment of pure joy.

Uncle Tony had a special way of making everyone feel loved and cared for. He was always there for us, offering his support and love, especially to my mother, my brother Tito, and me. One of my most cherished memories is the beautiful wood rocking chair he made for us, which graced our living room for many years—a symbol of his craftsmanship and love.

Uncle Tony will be deeply missed, but his spirit will live on in the many wonderful memories he left us with. His kindness, generosity, and loving heart will never be forgotten. Rest in peace, Uncle Tony. You were truly one of a kind.

Love, Anita & Tito
