“ I will never forget the day you were born, me and your Nanny stood at the O.R. doors with our faces pressed against the little window and watched you enter this world. It was love at first sight. I have so many wonderful memories with you. Our first New Years Eve....you were 6 months old and you would pull yourself up to the T.V. and bebop up and down to the music with your little tongue stuck out the side of your mouth. Just laughing and giggling the whole time. You loved music so much. You were the most beautiful baby I've ever seen. My heart is broken but your at peace now and there's no more pain. I will see you again one day soon. I Love You Little Pooh Bear.
