“ *I was visiting with Betty a few years back and we got to talking about hymns. She said her favorite hymn was 'Living with Jesus'. I didn't recognize the name so I got her to sing it for me. This is a bit of her singing for me. I enjoyed our visits. We were more like sisters than cousins. We talked and laughed, cried and sang together, almost every visit. I know she is now living her favorite song out with Jesus. Love you Betty!*
