“ *Uncle Junior always had a smile and laugh. He was such a bright soul, kind and gentle. As a child, we gathered at Grandmaw's house often for family meals or just because. Some of my favorite memories were at that house with my Grandparents and Mommies Family.. Junior was very interactive with us little kids, he liked to pick on us. He also talked so fast, it was a challenge to keep up with him ;).*

Sometimes I dream of Grandmaw and she is preparing for a gathering. I'll see some of my family members in the background before I wake. I'll continue to hold the memories when both Elmer and Junior were at one of my favorite places to be, as a child, Grandmaw's house.
