“ I love you forever and ever, Papaw. There will never be another one like you. Our world got a little dimmer, but you gave us so much to be thankful for. You have blessed my life in a way I will always be gracious for. Say hello to Jesus for me, I can't wait for the reunion we will have.

“ Tom was a man that I have tremendous respect for. He was humble, practical and had a vast storehouse of knowledge of so many things. I enjoyed every conversation we ever had. He taught me something in every one of those meetings. It may have been about family history, construction or cooking pork but if I was willing to listen, he had something important to say. Tom and my mom were double first cousins and he always reminded me of that. I am so proud to have known Tom just as I know the family is blessed to have been a part of his life as he was so proud of each of you. Peace to all
