“ I'm sure you won't remember me but I met you, Devante's mom, at McDonald's in Taylorsville one time and we were talking about our children. You were SO proud of your son and it showed so much that I never forgot it. His name was so different and all about the football stories you told when I heard the name I remembered you. I'm so sorry for your loss. From your words he must have been a wonderful young man. If I'd known in time I would have tried to come to the service because I'm a mom too. I didn't know until today. We'll be praying for your family. Once again so sorry.
