“ *I loved having her a cold Popsicle or her favorite ice cream bar when she would be at our house. She was always very kind and appreciative towards me. Beautiful lady inside and out. My heart breaks with Daniel and Angela. Prayers are definitely going up for you guys.*

Doris was a beautiful lady inside and out. Always kind and courteous. She and Dan were wonderful neighbors. I still have the beautiful china dinner plate she gave me when I graduated high school. Will always have good memories of sweet Doris. ❤️
