“ *Mom, even though I know you are in a better place and no longer suffering, I miss you so much! So many times this week I've wanted to pick up the phone and call you. I just can't imagine not being able to talk to you about my day or what's going on. I'm going to miss our pedicures with dinner after and our annual trips to the beach. I already miss my 5 o'clock phone calls asking why I'm still at work. I miss you more than you know. I love you so much and know we will be together again. Till then, know that I love you and will always keep you in my heart! Love, Carla*
