“ *Beautiful, Classy, upfront Lady with a capital (L). Mrs. Morrison is Loved and respected by her family, relatives and Friends. I wish that my parents would've been as well respected as Mrs. and Mr. Morrison they set the bar high for other parents to follow they put forth positive examples of what parents should be . Mrs. Morrison you are missed, but not never ever forgotten. God Bless the family your Mother and Father left you with everything you'll need to go through your life don't be sad for this is not goodbye, but see you later. Amen.*

“ *I am Ms Diane Ward I was Mrs Morrison beautician for many years. She had a heart of gold always a pleasant tone of voice and plenty of advice for things that would help you, an awesome cook. I know the family will really miss Mom but I'm sure they didn't want her to suffer any longer than she did. Her skin was so smooth and she was always happy when I would see her. Be strong family comfort one another as much as possible . Especially my girls Barbra and Joann. No hard feelings to the rest of the family. Barbara is still my client and we have been together for at least 20 years or more. May God bless you and keep you all just remember that he is in control of all things.*
