“ *When I came to Hickory and Lenoir-Rhyne in 1999, Israel was one of the older guys who took me in and accepted me as a freshman. He was humble, kind and always smiling. On the field, what a ball player. He still hit the farthest ball I've ever seen in real life while we were playing in the 2001 Division 2 playoffs in Tampa. I'll never forget it.*

I was living overseas in Japan when I found out about Israel's accident in 2009 and checked the caring bridge website for updates every single day. I'll never forget that either.

When he recovered from his accident, he turned out to be even more humble and genuine than before. It made my day when Israel called. It meant the Braves, the Tar Heels or the LR bears were playing somewhere. I'll miss those calls the most. Rest In Peace brother. You were one of a kind.

There's no doubt in my mind that you are in Heaven. You have lots of family there. My two sons and my Grandaughter (your cousins) will be there. Lawrance, Darryl, and Lauren Westfall. Your Grandmother was my first cousin.

“ In Fall of 98 I was fortunate enough to join LR baseball with Israel, by our Senior year in 2002 he was my roommate. We shared so many great times on the baseball diamond SAC Tournament titles, SAC Championship and he was one of the most humble and loving guys I have ever met. But I will always remember him inviting me to his family’s home to eat dinner and do laundry on a Sunday afternoon. He was an amazing ball player, young man, and friend to a guy from Virginia who was a long way from home in 1998. Thank you Israel for our friendship and you were always there for all your teammates and friends. Rest In Peace brother LRC Bears

Israel has been such a special young man to our family for many years. As a tiny tot he would always make you smile. Being born on St Patrick's Day was very special and sure enough Israel was very lucky. What a love for baseball he had, when he was in rehab he could throw his ball to anyone he wanted too and the day he walked I will never forget his sweet smile of accomplishment. It shown all over his face. Israel touched many many lives and will always have a special place in the heart of the Moose family. We dearly loved you Israel!

Dearest Kathy & husband, Israel was heaven sent as an Angel to those of us that knew him. His presence was a blessing. An aura of peace and love surrounded him & his hugs were genuine. Father God has welcomed him home again. His time on earth has been fulfilled with the joy, love, friendship, and faith that he projected among us. Peace & love to you and all of my cousins during this sad time. Rest In Peace, Israel. You will be missed. ❤️🙏🙏🙏
