“ I loved him very much & I spent 5 days a week with him. He used push me around on his harley in Granny's yard at Rocky Face when I was 3. He always came to my baton recitals & enjoyed all my acts. He would always help me with my tumbles & enjoyed shopping for fabric for my various costumes. We always had fun & he never forgot my birthday. We loved eating BBQ at Sweetwater & he took me in the Wizard Saloon after my 1st ride on his Harley before opening & I was 5 I loved spending time with him & listening to pink floyd. He always came by & loved playing with my dog Bud. Bud scared him at 1st but he didn't know I had Bud inside. I loved him very much & he is deeply missed, but he was so sick & is at peace now. I loved him & my daddy Jim equally but I was always the biggest argument between them but it was always settled over a nice dinner, movie or a baseball game. Both of them enjoyed spending time with my side of family. Uncle Gilbert loved working with Uncle Red. Daddy & Uncle Gilbert are resting together side by side. Daddy & Uncle Gilbert were very close. Both are missed but never will be forgotten
RIP Daddy #2

“ Gilbert was such a genuine person, you always knew where you stood with him. He was quite a character with a great sense of humor. I was blessed for having known him and privileged for the long conversations we had on the way to Salisbury years ago. RIP sweet friend. Prayers for your family and friends who loved you and will miss you.
