

Jerry Don Oglesby

November 4, 1940 - April 27, 2023

Jerry Don Oglesby 82, of Statesville, passed away on April 27, 2023, at home with Hospice care. Jerry was born in Statesboro, Georgia on November 4, 1940, to the late A.D. Oglesby and Stella Hagan. Jerry had a full life. He was honorable discharged from the Army and proudly served in Vietnam. He retired locally from Shaver Wood Products where he was their manager. He was very mechanically inclined and worked on lawnmowers after his retirement. Jerry loved to raise and sell birds. Many loved to call him the “Bird Man”.

Jerry and his wife Linda who passed away in October 2020 were involved with the Iredell County Sheriff’s Department. They loved cooking meals for the officers and always showed their support for law enforcement.

There are many left to cherish Jerry’s memory including out-of-state family and friends and surrogate sons, daughters, and grandchildren.

Jerry didn’t want a service but asked for his and Linda’s ashes to be sprinkled over his favorite fishing spot in Florida.

Chapman Funeral Home is serving the Oglesby Family.
