“ Jonas was not just my cousin. He was my brother, my best friend, my protector. My kids call him Uncle Jonas. I will keep his memory alive by making sure Charlie knows who he was and how amazing he was. He had an infectious laugh, always smiling, and biggest heart. He would do anything for anyone. He was wild and free. He lived his life to fullest and did everything possible for his children. He is an amazing person gone way to soon. We love and miss him dearly. Our lives will never be the same. When he left us he took apart of all of his friends and family with him.

Rest in peace my brother

“ I was married to Dyel Sigmon (JC’s cousin / brother) (Jonas called her Dygell). for 16 years. During that time, Jonas became a brother to me. He has a heart of gold. He would give you the shirt off his back. He was a hard worker. He loved his family. We worked together; cried and laughed together. Jonas was a good person. Love you Jonas ! Jonas did things his way. In a world full of repeats, he was original.

Lord knows I can’t change.....wont you fly high FREEBIRD.....❤️
