“ *Les was a great man that would do anything to help anyone. He may have fussed about it lol, but he would help anyway. I've known him for over 20 years and he always had me laughing. I mean it when I say I will miss our conversations. Rest in peace brother and prayers for the family.*

Lesley was my first cousin and I haven't talked to him in several years. I actually called him two weeks ago and left a message for him to call me. Can you tell me what happened. You can call me or text me at 828-312-0246.

PS

Just learned of Les' passing. I also worked with Les for many years at SW, He was a kind and gentle soul. And yes, he was very funny. I can still hear him say, "what is it Patrick" as we would pass each other in the plant and speak. R.I.P. Les. You will be missed.
