“ *Paula thank you for being such a great friend to my momma. You was a member of our family, and you will be missed. Thank you for blessing us with your beautiful spirit. I'm thankful my mom had such a great friend in her life. Fly high. I know you're now one of my mommas angels looking down from above*

She was a Great Friend with a Loving Heart. Opened her home to those she knew needed some kindness and was Always there for those of Us who were helping her pick up the broken 💔 pieces of her Life. She Loved her Children but felt abandoned and hurt by their words at a court date and We laugh at the fact that a judge ,apparently heard my comment that it was a shame that in a Court of Law, the Truth wasn't being shown..Yes, the Judge called me up and I stood by Her then Husband and His Attorney who used to come to My House..I would have taken those 30 days for My Friend who called Me in Her time of Need and she Adopted her New Family..One by One.. I know she Loved Us and Guilt will come to those who betrayed her and I swear she said she would haunt those who betrayed her..I belive in Karma so...but Paula was Paula and She Was One Strong Lady..Guess time will prove her words to a few of Us.. Her Struggle was Not Easy and Her Fears I found out all on my own... Another One of Our Stories, I can and might just write about..Or Maybe use the TV or Newspaper..witnesses to my story..and lies I don't tell and games I don't play.. Bless You Sweet Lady..Gone too Soon and it just Didn't have to Done like This 😞 Peace My Dear Friend..Rest and No More Fears or Threats..Shine On and Peace be with You.. ❤️
