“ *The world lost someone very beautiful but heaven gained an angel more special than words can describe. Porsha had the most beautiful smile, and the biggest most gorgeous eyes. she had a big heart and she loved her family and friends so much. her children were her whole world there's absolutely nothing she wouldn't have done for her babies. She was a very kind, caring, loving, compassionate person. she left us too soon. but I know she's at peace now. She maybe gone but she'll never be forgotten as she lives on in our memories and through her sweet and beautiful children. She will be forever loved and forever missed.*
