“ *To the family of Ray Sloan-it's mostly memories that we shared as much younger children when our mom's Libby Lackey & Winnie Sue would meet up and share family memories and us kids would play. It is sad for parents to loose a son and for his wife and family to loose their soul mate and Dad and to all the other family & friends. May our God support you and give strength at this time.*

Our sympathy are sent with our caring prayers, from the children of Jack & Libby Lackey-Donald, Pat L. Blok, David and our older brothers-Edward & Tom.

“ *The world lost a good man, you could always count on Ray to lend a hand, tell a joke, or offer a witty piece of knowledge. I will always have fond memories of him during hog killings and enjoyed talking cows hay and farming with him, but we can rejoice in the fact that he is sitting on the hills of glory and truly has received his reward.*
