“ I met Scotty on the school bus when he was to young to go to school,Carolyn drove our school bus and brought him along, the girls on the bus made a play thing out him he was fun to have around.
I watch Scotty grow up have a family and find his way thru life.I helped him out a time or two the government doesn't care who they harm.
To Scotty s children he knew what he wanted that was you he did the best he knew how to provide
To Carolyn I know you miss Scotty ,him and Randy are your life.Hacks been gone for years but you and Hack were some of the best people I ever knew.I still regret damaging Hacks truck you brought me in and let me stay till it was safe to leave no scolding, no punishment.Just good country people.The same was with Scotty he was head strong but he would respect you and Hack.Im sorry you have lost both of them
To Randy there's not much I can say to you that you don't know other than take good care of your mother she's one of the best people I have ever known
Scotty your struggle is over rest in peace D.R.C.
