“ I loved Terry, it's that simple! I worked with Terry for many years at RCCC and every day our paths crossed made my day even better. My job in admissions and he as a program head brought us together often and he was the ultimate professional! He had an outlook on life that we can all benefit from! My condolences to his family for you have lost a beloved family member but I feel like Terry would not want our tears as much as he would want our smiles and fond memories of our time together!
