“ We’ve had so many memories I could never tell them all. You and I were two peas in a pod in school. Where you saw one, there was the other. I loved you dearly and that beautiful laugh of yours would just make me smile when I heard it. I’m sorry I got caught up in life with my own family and didn’t get to see you as much as we got older. I will forever regret that. I’ll miss you so much. I hope your dancing in the sky..
