“ *I have so many memories of my aunt Wanda it's hard to say what my favorite would be, but I appreciated her taking such good care of my son Lucas while I worked. He was her little "BopBop" and he loved his "Nanda". She loved him like her own. He'd always be hyped up on her favorite soft drink, Mella Yella when I picked him up! I always got in the habit of looking up her driveway when I past by, sometimes stopping in for a visit. It's going to be very sad to drive by now, but I'll still look up her driveway. I love you Wanda. Rejoice with Dale, Maw & Paw Frye, Linda, Lee and all the other loved ones gone before.*

“ *Wanda, you will be missed by your family, especially your sons! My prayers go out to your family, and may GOD comfort them and give them peace at this time!*
I'll always remember the times all the families got together at Grandma Frye's and we played outside until dark or our parents were ready to go home! Fun times and good memories!
Love you, Joy Frye Henderson
