“ Donna,  
We are so deeply sorry for your loss. The love you and Wayne shared for the last 36 years was evident in the kind and respectful way you treated each other. We have lost a dear friend and a wonderful artist. With his drawings and paintings, he could capture beauty on his canvas in a way that sparked smiles and admiration from all who saw them. He had such a quick wit and good sense of humor that friends enjoyed just sitting, talking and laughing with him for hours. He will be sorely missed but no one will feel the pain of his absence like you will. We pray and we know that God will strengthen you and be your comfort and because of his amazing grace these earthly farewells are not the end. Love is forever. Someday you will meet again on Heaven's bright shore. We love you
